AFTERNOON TEA

Afternoon Tea is a tradition that began in 1840 by the Seventh Duchess of Bedford. Due to a long period between the meals, the Duchess experienced a sinking feeling that afflicted her between 3 and 4 o’clock. One afternoon she requested a tray of tea, bread, butter, and cake to be brought to her room.

Gradually, she became accustomed to this habit and invited her friends to partake in her daily ritual. Within a short period of time, this affair, known as Afternoon Tea, became an elaborate social event. During this time, the Earl of Sandwich invented the sandwich, enhancing the overall experience of Afternoon Tea.

Afternoon Tea remains to this day a graceful affair to enjoy in the company of friends and associates.
